Hey!
You can't dance, right?

I'll learn it when I have time.

Showy but not practical stuff?

I'll give you one week to learn this dance!

If you fail to dance it well one week later, then you must apologize to us for what you said!
Ok?

I can't stand it anymore!
Ethan Young?
Not good
He is trying to stop the quarrel?

You've gone too far. This dance is too difficult for a newbie. Let him learn something basic!
